

Do you want to stop drinking alcohol for good?

IF YOU HAVE AN ALCOHOL PROBLEM AND WANT HELP STAYING SOBER, WE MAY BE ABLE TO HELP.

WE ARE TESTING OUT A NEW TREATMENT AND ARE LOOKING FOR VOLUNTEERS.

If you have alcohol use disorder and are ready to stop drinking or have already done so, you may be eligible to take part the 'KARE' trial. The study involves having three infusions of a drug, alongside some talking-based therapies. Interested?
